UPEI and Renegades win Fall League

The UPEI Senior Women's Fall league finished up on December 1 at UPEI.

In the Tier 1 final, UPEI defeated the Charlottetown Blue team 28-26 in a close final. In the Tier 2 final, the Renegades prevailed over the Mamma J team 25-23. The league had 10 teams total

with many UPEI students and AVC students taking part.

The winter league is preparing to start on January 13 with the finals on Saturday April 2.

New to the winter league is any grade 12 female players or any grade 10 and older provincial team players who do not play

basketball are invited to join.

Any players looking to join a team should contact Lynn Boudreau before December 30 by e-mail lboudreau@upei.ca or phone 566-0991.

For more league info visit <http://www.sport.ca/vpeiwomen/volleyball/>

VPEI Member Maggie Li joins 2011-12 Dalhousie Tigers

Maggie Li is set to join the Tigers women's volleyball squad for the 2011-12 season.

A middle blocker originally from Beijing, China, Maggie moved to Charlottetown, PEI when she was 14 and is

currently a student at Colonel Gray High School. A member of the Colonel Gray High School girls' volleyball team, Maggie helped the team to capture the PEISAA volleyball provincial championship three years in a row (2008-10) and was named

the tournament MVP all three years.

Maggie was honoured as the Colonel Gray High School volleyball team MVP in 2009 and 2010 and as the school's Female Athlete of the year for 2009-10.

Website of the Month & Books

Getting ready for the spring club season, want to jump higher, check out <http://www.volleyballadvisors.com/medicine-ball.html> here is a website with loads of books <http://www.humankinetics.com/volleyball/> Please send feedback to lboudreau@upei.ca

"Maggie is an excellent athlete and we believe that she will be an important piece for our team in the years to come as we strive to be AUS Champions and compete for the national championship," says Rick Scott. "As a top level recruit and with a high level commitment and hard work, we are confident that Maggie can make a big impact with our program and university."
